

Ashton-Demoss Recreation Club

ashtonpool@verizon.net

www.ashtonpool.com

The Ashton Alligators are a small but growing swim team. We are looking for a Head Coach! Ashton is a great place to work and with plenty of parent volunteers readily on hand. We are seeking a head coach who can teach our young swimmers the basics while keeping our more advanced swimmers involved and enthusiastic about summer swimming.

Our ideal coach will have some coaching experience. The coach will need to be available for morning and afternoon practices from June 11th through the MCSL All-Star meet. He or she must be willing to prepare for and attend all A and B meets including time trials. The Ashton Alligators are hoping to have a coach with lots of spirit, one who will plan and attend pep rallies, team dinners and maybe even a fun outing. Let's find creative ways to make swimming at Ashton the only place to be this summer.

Ashton offers a competitive salary. This position offers a membership at the Ashton-Demoss Recreation Club for the season and the chance to earn much more through lessons and clinics. Interested candidates are asked to send a resume and cover letter to Terry Sullivan @ tsullivan@hselderlaw.com
