

# Kenmont Tsunami Swim Team

Our goal is to provide a positive summer experience for our team members and their families. The team is meant to improve swim skills, while fostering good sportsmanship and teamwork, having fun and building friendships that will last from summer to summer. The Tsunami swim team is one of the six founding members of the Montgomery County Swim League.

We feel strongly that our coaches should focus on coaching, so the parent team reps handle all administrative tasks except preparing meet lineups. We have afternoon practices from Memorial Day through the last day of school. Once school is out, we have both morning and afternoon practices.
