

Assistant Coach for Lake Marion Lasers Swim Team

The Lake Marion Lasers Swim Team is looking for an experienced, hands-on, enthusiastic Assistant Coach for the 2017 summer season. The Lasers are located in Montgomery Village, MD and will be competing in Division "F" this year. You will work with all age groups, building basic skills with our more inexperienced swimmers and helping to fine-tune the more experienced swimmers. You must have a positive attitude, team spirit, be reliable, have coaching or swim instruction experience, and have your own transportation. Our expectation is that swimmers will work hard, but we also want them to have fun and enjoy the summer swim experience.

We generally have between 150-170 swimmers on our team, including a sizable pre-team. You will work closely with our Head Coach and other assistant coaches. Requirements include: Current American Red Cross lifeguarding/CPR/first aid certifications. A pool operator license is desirable. The assistant coach will need to be present and available for both morning and afternoon practices, all meets (A, B and Mini), and weekly team social events (pasta dinners, A meet lunches, movies, etc.).

Our team prides itself on having a close-knit group of swimmers and parents who enjoy working together. We strive to create an atmosphere of friendly competition and good sportsmanship. Our swim team committee will be there to work with you and support you. We offer a competitive salary with opportunity for bonus, and a fun family-oriented environment to work in.

For more information or to apply and schedule an interview, please contact team representative Kristine Frohman at kfrohman@comcast.net and kristine.a.frohman@leidos.com or phone 301-466-9931. Please also visit our website at www.lakemarionswimteam.com.
