

## *Potomac Assistant Coach*

The Potomac Swim team is looking for an assistant coach for the 2018 season.

---

Potomac Swim Team is looking for an energetic, reliable, dedicated, go-getter of an assistant coach. Our new assistant will join Christopher Schlegel who has coached Potomac for 12 years and Austin Cole who has coached Potomac for 2 years. Last summer Potomac had 130 swimmers including pre-team. Potomac will compete in Division I this summer.

Our ideal candidate would be a former club or summer league swimmer who is eager to teach and learn. Our coaches are expected to attend all team functions. Potomac has AM & PM practice + swim meets on the weekends. We also have 4-5 team socials and pep rallies on Friday early evenings.

Current lifeguard and CPR certification are required as is the ability to drive to and from all team events.

Pay will be competitive and determined based on experience. Assistant coaches are strongly encouraged to do private lessons as well to make tons of additional income.

Please contact Head Coach Christopher Schlegel if interested. Please provide a resume or letter identifying prior and relevant experience. Email to [christopher.schlegel@hotmail.com](mailto:christopher.schlegel@hotmail.com)
