ASSISTANT COACH JOB DESCRIPTION

The Tallyho Swim Team is seeking an assistant coach to join its dynamic and fun coaching staff for the 2017 season. Tallyho Swim and Tennis Club, located in Potomac, MD, is a community pool with approximately 175 active swim team swimmers. We are a long-standing MSSL team that emphasizes personal improvement, team fun, sportsmanship and spirited competition. For 2017 we will compete in Division A for a second year.

Tallyho has involved parents and team reps who are dedicated to making our season run smoothly. While we compete in the highest division within MSSL, at our core, we are a community-based developmental swim team with incredible spirit, pride and deep-rooted traditions.

The head coach will lead a group of assistant and junior coaches. The assistant coach(es) will work closely with the head coach to plan the season and execute practices and meets from Memorial Day through the end of July (MSSL All Star Weekend). Once MSSL lets out for the summer, Tallyho holds **both morning and afternoon practices**. The assistant coach will be expected to engage in practices, but can negotiate a daily morning or afternoon schedule if necessary.
