

TALLYHO SWIM TEAM – HEAD COACH POSITION

OVERALL

Tallyho is a robust community swim team and we are building a coaching staff to continue the team's long-standing history of personal improvement and FUN for all levels of swimmers. The head coach will be supported by involved parents/A Reps, experienced returning and new assistant coaches.

ABOUT TALLYHO

Tallyho Swim and Tennis Club, located in Potomac, MD, is a community pool with approximately 185 active swim team swimmers. We are a long-standing MSCL team that emphasizes personal improvement, team fun, sportsmanship and spirited competition as one swim team. For 2018 Tallyho will once again be seeded in Division A. Additionally, we participate in a weekly Wednesday night "B league" that culminates with a Relay Carnival, "PIRC," that Tallyho proudly hosts annually. Tallyho has a pre-team program that pairs middle- and high- school age swimmers with those learning to swim.

Tallyho has a beautiful facility with great support from our community and membership so seasons run smoothly. Coaches are fully supported by team leadership (2) A Team Reps, (1) B Team Rep and a variety of parent-held leadership as well as the club board. While we compete in the highest division within MCSL, at our core, we are a community-based developmental swim team with incredible spirit, pride and deep-rooted traditions.

SPECIFIC JOB REQUIREMENTS

- Seasoned coach experienced in working with both novice and advanced swimmers
- Plan, supervise and coach at all morning and afternoon practice sessions
- Attend all scheduled A&B meets (including time trials, long course, all-stars, PIRC, etc.)
- Communicate effectively and appropriately with swimmers and parents
- Communicate effectively and appropriately with other teams' coaches, swimmers and parents
- Work with the entire coaching staff to motivate swimmers and set tone for spirit and fun
- Demonstrate technique and provide in-water coaching
- Familiarity with MCSL rules and procedures and strategy, seeding and negotiating within Division meets a plus.
- Create meet line-ups and work with Automation Chair (we work in Team Unify for team management software; team computer has Team Unify and Meet Manager software installed) *** Last year's head coach Chris Verboncouer who took another full time job willing to assist with line-ups and automation training***
- Attend team social events – Friday pep rally/pasta dinners, banquet, movie night, season kick-off social, ice cream socials, etc.
- Current Lifeguard and/or CPR certification may need to be required before practice begins (Tallyho will reimburse)
- Tallyho offers ample opportunity for private lessons within the team; coaches set own fees and manage their own calendars for lessons

Send resume and credentials to tallyhoswimteam@gmail.com. Contact Greer Bautz (gcbautz@yahoo.com or 617-694-0284) with questions.

Salary is competitive and negotiable based on experience. Tallyho offers a base salary and annual bonus.
