www.whetstonewhales.com

The Whetstone Whales are seeking an experienced Assistant Head Coach for the 2023 swim season. Founded in 1975, Whetstone is the oldest of the three Montgomery Village swim teams. The team is open to swimmers ages 4-18. We are known for our team spirit and traditions, strong parental support and involvement, and great kids. Whetstone's 25-meter pool, with six lanes (5 to 12-foot depth), and the pool's locker rooms were rebuilt and renovated six years ago.

We offer very competitive salaries and the possibility of performance bonuses for our coaches at the end of the season. Additional income from private swim lesson is also possible. We hold afternoon practices from Memorial Day through the last day of school. Once school is out, we hold both morning and afternoon practices. Parent team reps handle all administrative tasks, except preparing meet lineups, so that coaches can focus time and efforts on coaching.
