- "B" meet ribbons that have been ordered and paid for are also available for pick up. If you ordered B meet ribbons, but haven't yet paid for them, please see Liz.

Pam Ambrose, MCRD liaison, pam.ambrose@montgomerycountymd.gov

- Will be soliciting Hall of Fame nominations in coming months. Contact Pam with any questions.

Bob Hincke, Webmaster and Automation, web@mcsl.org

- You must be able to log in to the website for your team data, as this year we will be handling scratches for league meets online. Next month, there will be a test scratch page to experiment with. Each team will only be allowed to see its own scratches and not those of other teams. If you are having trouble logging in to the site, contact Bob.
- For prior year results, there is a link on the home page to these. At some point, these results will be migrated over to the new site.
- Meet Manager 4.0 software is being distributed tonight. Make sure you have a disk in your bag and ask your Automation volunteer to check the disk to make sure it's okay. If not, contact Bob.
- Automation training clinic will be June 4, 5, or 6 at Germantown Indoor Swim Center. Date will be finalized soon and posted on the website. Clinic typically lasts 2-3 hours.
- Meet Manager 4.0 templates will be posted on the website next week – event templates for importing into Team manager or Team Unify and A and B meet templates to import into Meet Manager. Be sure to update your data on the website.

Robbye Fox, Secretary, secretary@mcsl.org

- Please remember to sign the attendance sheet at each meeting so that we know what teams are represented. Sign up sheets are by division again tonight.
- If you're interested in joining the MCSL reps yahoo group, send an email to MCSLTeamRepsInfoEX-subscribe@yahoogroups.com, stating your name and team affiliation. The yahoo group is open to all team reps and is an informal way to communicate with reps about questions, suggestions and issues regarding your team/pool.

Scott Witkin, President and Clinics, president@mcsl.org or clinics@mcsl.org

- Thank you to Liz, Carrie, Scott B. and Andrew for their hard work already this year on awards, Meet Management book, Advertising and Handbooks.
- June meeting includes a Coaches Clinic, which coaches must attend.
- June meeting will also include a meet management clinic for new reps to learn more about running a meet.
- Please remember that the Advanced Referee Clinic will be held Tuesday, May 28, 7pm in Olney. This is a one-time clinic. To attend this clinic, you must be currently certified as a Stroke & Turn judge. On the website, this includes everyone listed with an '11 or '12. All clinic dates are posted on the Website.
- Optional preregistration for the clinics is now available on the website. This is not mandatory, but is helpful in inputting the information for new officials.
