

MCSL recognizes USA Swimming certifications for Starter and Stroke and Turn. MCSL does not recognize USA Swimming Certification for Referee. USA Swimming Officials seeking MCSL certification for the position of Starter and/or Stroke and Turn should log on to their USA Swimming account and access the PDF version of their Membership Card (see instructions below). Send the PDF of your Membership Card to officials@mcsl.org along with the name of your MCSL team. Upon receipt MCSL will update your MCSL certification(s) based on the expiration date of your USA Swimming Certification.

USA Swimming certified officials may maintain their MCSL Starter and/or Stroke and Turn certifications by recertifying their USA Swimming certification. Officials should follow the procedure outlined in this document after completing USA Swimming recertification.
