Assistant Coach Wanted for the 2027 Swim Season

(1 June - 1 August)

Are you passionate about swimming, working with young athletes, and helping swimmers reach their full potential? The Calverton Chargers Swim Team is seeking an energetic, knowledgeable, and dependable Assistant Coach to help lead our 2027 summer swim program.

The Chargers are a close-knit and spirited swim team with long-standing traditions and a strong sense of community. Our program includes more than 75 swimmers of all skill levels, along with a growing pre-team. We are committed to creating a fun, supportive, and rewarding environment where swimmers can improve their technique, build confidence, develop sportsmanship, and foster a lifelong love of swimming. We value team spirit, active participation, and positive relationships among swimmers, coaches, families, and our community. Our goal is to make every summer season a memorable and meaningful experience for every swimmer.

Responsibilities

The Assistant Coach will work closely with the Head Coach to support all aspects of the swim program, including swimmer development, training, meet preparation, and team leadership. Responsibilities include:

- Plan and implement age- and ability-appropriate training programs in collaboration with the Head Coach.
- Lead 3 - 4 morning practices and 3 - 4 evening practices per week.
- Provide instruction and feedback to swimmers of varying ages and skill levels.
- Coordinate B-Meet coaching responsibilities, including working with B-Meet Representatives and preparing swimmer lineups.
- Manage and lead practices when the Head Coach is unavailable.
- Assist with meet preparation and other team activities throughout the season.

- Communicate effectively and professionally with swimmers, parents, coaches, team representatives, and volunteers.

Qualifications

We are looking for a coach who is enthusiastic about developing young swimmers and comfortable taking an active leadership role within the team. Preferred qualifications include:

- Previous assistant coaching experience; MCSL experience preferred.
- Strong technical knowledge of competitive swimming, including stroke development, starts, turns, and racing fundamentals.
- Excellent leadership, communication, organizational, and interpersonal skills.
- Strong work ethic, reliability, and the ability to work collaboratively with the Head Coach and team leadership.
- Ability to independently lead a practice when needed.
- Current applicable coaching and safety certifications, such as USA Swimming, Lifeguard, CPR/First Aid, or willingness to obtain required certifications before the start of the season.

Why Join the Chargers?

- Supportive and dedicated swim-team community.
- Opportunity to work with swimmers across a wide range of ages and ability levels.
- Meaningful leadership role within a growing summer program.
- Opportunity to help shape swimmer development and team culture.
- Competitive seasonal compensation.
